

Don't Let @GrowClinton Get Lost in the SPAM Abyss!

Dear Grow Clinton Members & Friends,

We're thrilled that you're part of our Grow Clinton community.

We've got exciting things brewing, inspiring success stories, member spotlights, community events, networking opportunities, and entrepreneurial development programming.

But we don't want our emails playing hide-and-seek in your spam folder!

Help us stay in touch by safe listing [@GrowClinton.com](https://www.growclinton.com) as an approved sender.

It's easier than submitting a tax return, we promise!

Follow the quick steps below for your email provider.

Note: If you're using a company email, you may need IT assistance to get past your firewall. That's a professional you don't want on your bad side.

Gmail Users

Quick Add: Open any Grow Clinton email → Hover over sender's name → Click "Add to Contacts" → Done!

Filter Method (Most Reliable): Gear icon  → "See all settings" → "Filters and Blocked Addresses" → "Create a new filter" → In "From" field type: [@growclinton.com](https://www.growclinton.com) → "Create filter" → Check "Never send it to Spam" → "Create filter" → Victory dance! 

Outlook / Hotmail Users

Gear icon  → "View all Outlook settings" → "Mail" > "Junk email" → Under "Safe senders and domains" click "Add" → Type: [@growclinton.com](https://www.growclinton.com) → "Save" → High-five yourself! 

Yahoo Mail Users

Gear icon  → "More Settings" → "Filters" → "+ Add new filters" → Name it "Grow Clinton Awesomeness" → In "From" field enter: **@growclinton.com** → Select "Deliver to Inbox" → "Save" → You are now SPAM-proof! 

Apple Mail / iCloud Users

Gear icon  (lower left) → "Rules" → "Add a Rule" → "If a message" select "is from" → Enter: **@growclinton.com** → "Then" select "Move to Inbox" → "Done" → You're a ROCKSTAR! 

Mobile Users (Quick Tip!)

Open any Grow Clinton email (check spam!) → Tap sender's name → "Add to Contacts" → Save → You're golden, Pony Boy!
